Request for Permission to take Math 999, Ph.D. Research

**[This form is only required the first time a student enrolls in MATH 999.]*

Math 999, Ph.D. Research, is a research course for those students who are working on a doctoral thesis. As per departmental policy, Math 999 may only be taken after the student has passed the Preliminary Examination and is admitted to candidacy. (The written Qualifying Exam and the oral Specialty Exam together constitute the Graduate School's requirement for the Preliminary Exam).
