

KANSAS STATE UNIVERSITY
Department of Mathematics

Subject to budgetary approval, applications are invited for tenure-track positions at the Assistant Professor rank; positions commence August 10, 2008, with salary commensurate with qualifications. A Ph.D. in mathematics is required and preference will be given to candidates with some postdoctoral experience. The Department seeks candidates whose research interests mesh well with current faculty. The Department has research groups in the areas of algebra, analysis, differential equations, geometry/topology, and number theory. Successful candidates should have strong research credentials as well as strong accomplishment or promise in teaching and should demonstrate a strong commitment to mentoring students, and to serving a diverse population. Applicants must submit the following: a letter of application, curriculum vita, outline of teaching philosophy, and a statement of research objectives. Four letters of reference, at least one of which addresses the applicant's teaching ability and potential, should be sent to:
