

Pietro Poggi-Corradini
Curriculum Vitae – June 2006

Education:

Born December 24, 1969 in Milano, Italy

Baccalauréat, Math-Physics, Chambéry, France 1987

Laurea, Università Statale di Milano, Milano, Italy, 1992

Doctoral Fellowship Istituto Nazionale di Alta Matematica, 1992-95

Ph.D. 1996, University of Washington

Appointments:

Kansas State University: Full Professor 2006-present

Kansas State University: Director of Graduate Studies 2003-present

Kansas State University: Associate Professor 2002-2006

Kansas State University: Assistant Professor 1998-2002

Whyburn Instructor, University of Virginia, 1996-1998

Visiting Positions:

Visiting Scholar, University of Michigan, Fall 2005 and Spring 2006.

Special Year in Complex Analysis, University of Michigan, Fall 2001 and Spring 2002.

Mathematical Sciences Research Institute, Berkeley CA, Fall 1995 (Support: Allendoerfer Fellow, University of Washington).

Research: Complex analysis, iteration and operator theory.

Principal Investigator on N.S.F. Grant 1997-2000

Invited Talks: Bedlewo Banach Center, Poland; Università di Pisa, Italy; Università di Roma II, Italy; Jyväskylä, Finland; Università di Firenze, Italy; AMS Meeting, Ann Arbor MI; University of Toledo; AMS Meeting, Lawrence KS; University of Michigan; University of Washington; University of Arkansas; AMS meeting, Salt Lake City; Università di Milano, Italy; Oberwolfach, Germany; AMS meeting in San Antonio; Washington University in St. Louis; Wabash Seminar at IUPUI; Purdue University; University of Virginia; AMS session in Tennessee; RMMC conference in Wyoming; MSRI Berkeley; AMS meeting in Mexico.

Conference Organized: Third Prairie Analysis Seminar, Manhattan Kansas, October 2003; and Meeting of the AMS in Lawrence, Kansas, March 2001: Special Session in Complex Variables and Potential Theory.

Publications: Journal d'Analyse Mathématique; Revista de Matemática Iberoamericana; The Cubo Journal; Conformal Geometry and Dynamics; Annales Academiæ Scientiarum Fennicæ; Arkiv för Matematik; Michigan Mathematical Journal; Contemporary Mathematics; Proceedings of the American Mathematical Society; Journal of Functional Analysis; Transactions of the American Mathematical Society; Journal of Convex Analysis; Journal of Mathematical Chemistry.
