**Suggested activities for Wednesday afternoon**

- Explore downtown starting at Pike Place Market. Stop at the Seattle Art Museum, the Library, a coffee-shop, a restaurant etc.

- Tim Mesikepp (Steffen Rohde’s current PhD student) will organize a hike for the more adventurous. This involves a drive and limited car space is available. Talk to Tim if you are interested.

- Explore a local park, e.g., Green Lake Park (close to the University), or Discovery Park (further away).

- Visit the Arboretum (short walk from campus).

- Visit the locks. This is a longer walk along the water from campus following the Burke-Gilman Trail.
